CUSTOMISED ALUMINIUM SOLUTIONS FROM STOCK

Comhan is a wholesale manufacturer of aluminium sheets, profiles and smart aluminium systems. We have an extensive stock and a great deal of in-house knowledge, which makes us the ideal partner for projects large and small. Thanks to our almost 70 years of experience, we can always quickly and expertly answer any question in our field.

ALUMINIUM FOR THE CONSTRUCTION AND INDUSTRIAL SECTORS

Comhan knows like no other the requirements that aluminium for the construction and industrial sectors must meet. Most applications are 'in sight', so it is especially important for the products to be of superior quality. Are you looking for [aluminium façade cladding](#) [2] systems such as [window sills](#) [3] or [aluminium composite panels](#) [4]? You can order these and many other systems from Comhan, whether you only need one piece or want to order in bulk from stock. Do you need a profile that is customised to your specific requirements? Comhan will advise you and work with you to find the right solution!

SYSTEMS FOR VISUAL COMMUNICATION

Comhan has been developing aluminium systems for visual communications in house for over 30 years. From large [banner tension systems](#) [6] for outdoor use to illuminated or non-illuminated tension fabric displays for interior use. From [signage systems](#) [7] and [advertising pillars](#) [8] that can be used with LED lighting as illuminated advertising to [windbreak panel systems](#) [9] that are both functional and serve as an advertising medium. But what if you don't find the system you're looking for in our extensive product assortment? Comhan is continuously developing new systems and will work with you to find the right solution!
